

Gilbert Consulting Services Inc. is a national award-winning search and placement firm that specializes in placing top talent in the Electronics Manufacturing Services (EMS) industry (20+ years).

Our client company is a prestigious Electronic Manufacturing Services (EMS) provider that has an urgent need for a **Supply Chain Manager**. This company is one of the fastest growing EMS companies in its region, experiencing nearly 300% revenue growth over the last 5 years! The company provides EMS solutions to a wide variety of diverse industries including Medical, Industrial, Defense, Aerospace and Consumer markets. The company is financially very strong, with minimal debt, a huge backlog of existing business and several major customers on long-term agreements! If you are looking to join a successful company with excellent career growth opportunities, this is the opportunity you have been looking for!

In the position of **Supply Chain Manager** you will be given “The keys to the supply chain” in order to develop a strategy that will streamline the procurement area, negotiate supplier contracts, and eliminate excess inventory. You will supervise the Purchasing Department to ensure lowest cost, and highest quality. As Supply Chain Manager you will interface with Program Managers to ensure on-time delivery. This highly automated facility has the latest in high tech equipment, MRP system, and processes that allow for maximum efficiency in product manufacturing. This is a once in a lifetime career opportunity to make a strong impact in a dynamic company and “Leave your handprints on the wall”!

The qualified candidate for **Supply Chain Manager** MUST have:

- * Experience working in the Electronics Manufacturing Services (EMS) industry.
- * Five (5) years of experience working in a Supply Chain role.
- * Thorough knowledge and experience of MRP, bill of materials, inventory, and production control.
- * Strong negotiation, sourcing, and interpersonal skills.
- * Experienced in procuring PCB's, electronic components, sheet metal, and cable assemblies.
- * BS Degree or equivalent (desired).

If you know someone who meets the qualifications for this excellent opportunity, please contact **Jeremiah** at **(805) 481-5105 ext 200** or by email at jeremiah@gcservices.com.

Best regards,
